ABOUT OQA

Organization of Qualifications & Awards (OQA) is a UK registered awarding body offering bespoke qualifications at levels 3, 4 and 5 as per the Regulated Qualifications Framework (RQF) for England and Northern Ireland and the Framework for Higher Education Qualifications for England, Wales and Northern Ireland (FHEQ). Our courses are targeted towards individuals who are looking to take the preliminary step towards improving their education and also completing qualifications which can assist them in their professional careers.

We, at OQA, stand to carve a pathway which will act as a guide for our students to venture into distinguished and desirable academic avenues.

● Mission & Vision

OQA is devoted to offering high quality, well-rounded qualifications which will provide students with a progression route for further academic acceleration and excellence. We aim to develop OQA in to a devoted and dependable body which will equip its students with the appropriate skill set needed to develop a rewarding and successful academic and/or professional future for themselves. In addition to providing students with auxiliary post-school expertise, OQA will attempt to hone and enhance their pre-existing abilities. In the future, we aim to become the leading platform for the provision of distance learning to individuals across the world.

● Core Values

- ✓ We will endeavour to meet global education standards whilst continually striving for improvement
- ✓ Establish OQA as an all-inclusive learning provider which aims to deliver easily accessible premium education to all communities
- ✓ We will always be looked upon as a student driven organization which recognizes and fulfills the varying needs of learners approaching university level education
- ✓ To recognize the responsibility bestowed on our organization and be held accountable for our practices and policies
- ✓ To ensure OQA's objectives align with that of the students in order to warrant continuous and mutual success for the organization and all its stakeholders
- ✓ To cultivate an engaging and interactive atmosphere which is conducive to students feeling welcomed and encouraged to provide constructive feedback.

● Why Choose OQA

- ✓ We ensure the provision of quality education, delivered at the hands of our exceedingly capable and eminent professors
- ✓ We provide easy access to our courses by running classes in local study centres located in numerous countries across the globe
- ✓ The success and development of our students is central to the ethos of our organization. Hence, we are unendingly invested in devising new policies to certify education par excellence
- ✓ OQA recognizes students' needs for learning and our courses are dedicated to providing students with the opportunity to become competent in analytical thinking, informed judgement, and the means of inquiry.
- ✓ OQA has a particular commitment to each individual learner and therefore emphasizes the educational, professional, and personal growth of each learner.
- ✓ Study centres are carefully selected so that they can provide students with a friendly, supportive and inspiring learning atmosphere.
- ✓ The programmes of study, policies, and processes have been carefully designed to implement the OQA mission and philosophy, and are evaluated periodically and changed, as deemed necessary, to meet the needs and expectations of the learners.

BECOME AN APPROVED CENTRE

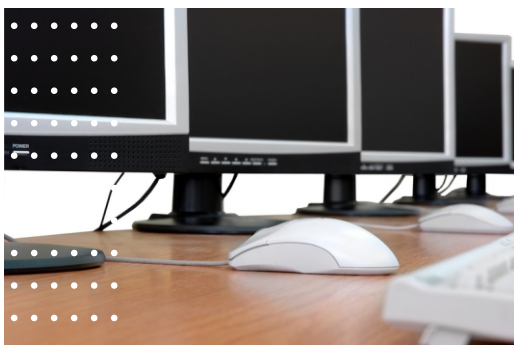

OQA's qualifications are the perfect way for you to attract new learners to your centre. Our exciting Level 3 Foundation courses are our most popular qualifications and can help your students gain access to university degrees. Give your centre a competitive advantage by working with OQA - one of the freshest British awarding bodies!

OQA offers its qualifications through numerous centres globally. We always welcome new centres wishing to offer our exciting qualifications.

As well as becoming an OQA approved centre to offer our range of courses, we are able to validate your own in-house courses to UK standards. This means they may be accepted internationally. We aim to process new centre approvals within 2 weeks of receiving your application and documents, and will support you through the approval journey.

STAGE 1

- ✓ Prospective centres express interest of becoming an OQA centre.
- ✓ An OQA representative will contact the prospective centre to discuss requirements and guide through the approval process.
- ✓ Centre submits supporting documents.
- ✓ Centre Fee is paid at this stage. Please see Fee Schedule for more details.

STAGE 2

- ✓ Successful centre is advised officially and sent Centre Agreement
- ✓ OQA will send an Approved Centre Certificate.

STAGE 3

- ✓ OQA contacts the centre to arrange a centre approval visit if required. We aim to visit all new centres within 1 year of registering learners. A centre visit is usually not required for approval as a centre.

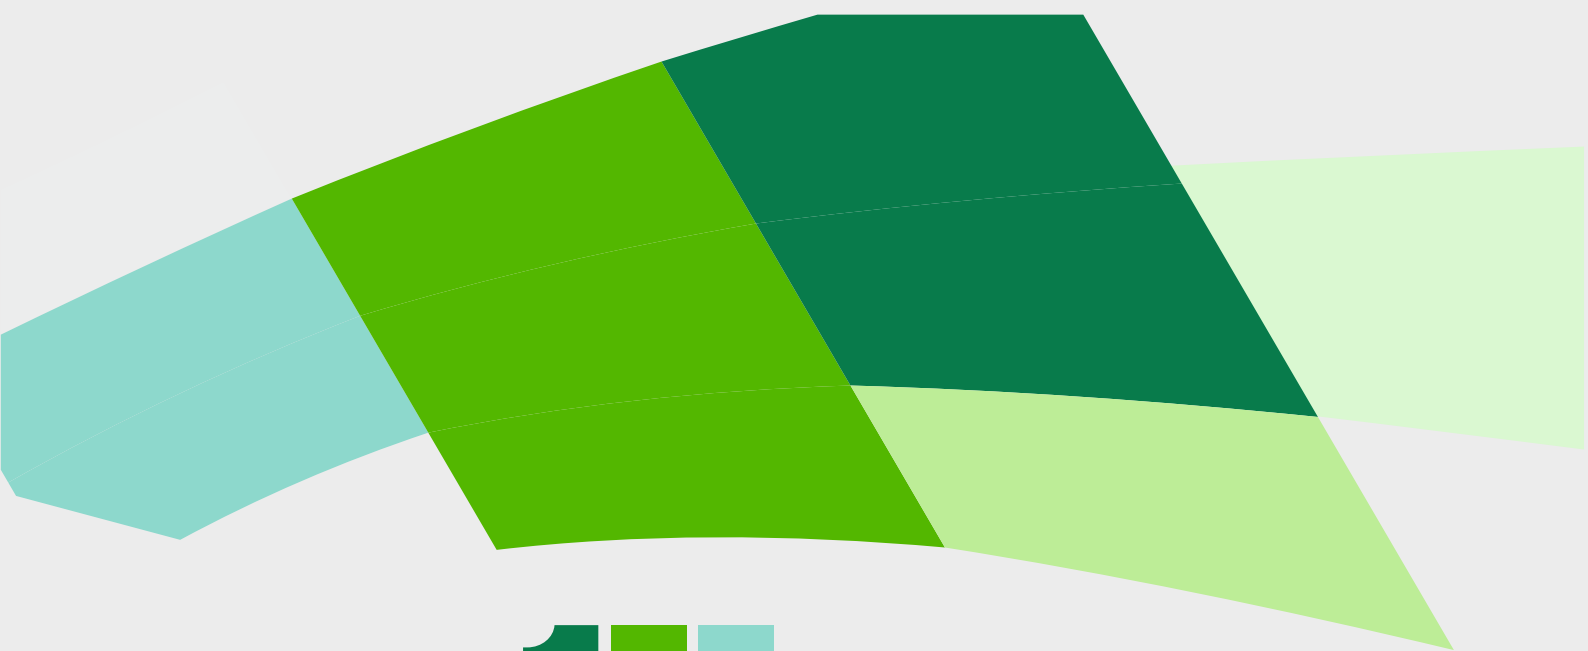

To start your approval process, please email on info@oqa-uk.com for more information.
